ABOUT P.S. ESTATES WINERY

P.S. Estates Winery is a family owned and maintained winery. As part of Bella Vineyards, ninety percent of the grapes used in our wine are produced on our farm. The fruits used in our fruit wines are all from local farms. We produce only the most fresh and real tastes we can. P.S. Estates Winery is part of the Lake Erie Wine Trail.

We welcome you as part of our family. In doing so we host many events to enhance your senses. We host an International Wine Festival, Night in the Vineyard and live music every Friday Night. We also partake in Wine Trail events. Learn more at www.PSEstates.com
